Dear Mr. Salame:

The Civil Rights Division received approximately 149 FOIA requests seeking access prior to your request, that is currently pending. Today, the Voting Section provided our office with information pertaining to your request. Once our office review the responsive documents, we will process your request and forward a response to you as soon as possible. At this time, I can't offer a time table, but I hope to have a response to you within a few weeks. I apologize for the delay and appreciate your patience.

Best,

April N. Freeman
